

Contract for Excellence

Performance Targets (Narratives) Report For School Year 2009-10

SYRACUSE CITY SD

SUPERINTENDENT DANIEL LOWENGARD

BELLEVUE ELEMENTARY SCHOOL

PRINCIPAL JOANNE HARLOW

Annual Academic Goal: Identify the State Learning Standard(s) on which Contract for Excellence funds will be used to support efforts to have students achieve proficiency

Target Population: Identify the group(s) of students with greatest needs on which funds are being targeted. If funds are being allocated to specific subpopulations within a needs group (i.e. newly arrived ELL students; low-income students in grades K-2), specify this subpopulation

Indicators of Progress and/or Accomplishment: Explain how the school will know whether strategies are working to enable students to achieve proficiency

Measure: Identify the assessment that will be used to measure progress or accomplishment.

Timeline: Identify the timeline for measuring progress

Baseline: Provide the school's baseline performance for this academic goal, indicate base academic year, e.g. 06-07 or 07-08.

Target: Provide the school's target performance on this goal for the 2008-09 school year.

Contract for Excellence

Performance Targets (Narratives) Report For School Year 2009-10

SYRACUSE CITY SD

SUPERINTENDENT DANIEL LOWENGARD

BELLEVUE MIDDLE SCHOOL ACADEMY

PRINCIPAL CORLISS HERR

Annual Academic Goal: Identify the State Learning Standard(s) on which Contract for Excellence funds will be used to support efforts to have students achieve proficiency

Target Population: Identify the group(s) of students with greatest needs on which funds are being targeted. If funds are being allocated to specific subpopulations within a needs group (i.e. newly arrived ELL students; low-income students in grades K-2), specify this subpopulation

Indicators of Progress and/or Accomplishment: Explain how the school will know whether strategies are working to enable students to achieve proficiency

Measure: Identify the assessment that will be used to measure progress or accomplishment.

Timeline: Identify the timeline for measuring progress

Baseline: Provide the school's baseline performance for this academic goal, indicate base academic year, e.g. 06-07 or 07-08.

Target: Provide the school's target performance on this goal for the 2008-09 school year.

PRINCIPAL MARIE LOSTUMBO

Annual Academic Goal: Identify the State Learning Standard(s) on which Contract for Excellence funds will be used to support efforts to have students achieve proficiency

Target Population: Identify the group(s) of students with greatest needs on which funds are being targeted. If funds are being allocated to specific subpopulations within a needs group (i.e. newly arrived ELL students; low-income students in grades K-2), specify this subpopulation

Indicators of Progress and/or Accomplishment: Explain how the school will know whether strategies are working to enable students to achieve proficiency

Measure: Identify the assessment that will be used to measure progress or accomplishment.

Timeline: Identify the timeline for measuring progress

Baseline: Provide the school's baseline performance for this academic goal, indicate base academic year, e.g. 06-07 or 07-08.

Target: Provide the school's target performance on this goal for the 2008-09 school year.
