

## Mission Statement

The mission of the Syracuse City School District is to ensure that all students demonstrate mastery of defined skills and knowledge, appreciation of diversity, and development of character which will enable them to become productive, responsible citizens who can succeed in a rapidly changing world; this is accomplished, in partnership with our community, by transforming our educational system to respond to the unique needs of each student through excellence in teaching and learning.

## Teaming and Collaboration with Community Partners

### Engaging Students

- Using effective teaching practices
- Real World experiences

### Developing Relationships

- Mentoring, Team teaching, Service learning, SLC academies, Advisories

### Curriculum

- Rigorous and relevant, Standards-based, Interest-based electives

### Acceleration and/or Intervention

- Supporting students with college level courses
- Intensive intervention for literacy
